

MUSE - Music Education

MUSE 141 Music Education Applied Piano Lesson (2 Credit Hours)

This course is designed to support the continued training and development of piano skills needed in the elementary, secondary choral, and private vocal studio setting. This course is only for Bachelor of Music, Music Education majors in the Vocal, Guitar, or Keyboard concentration.

Prerequisites: MUSC 130

MUSE 150 Freshman Seminar I for Music Education Students (1 Credit Hour)

This course is designed to help students make the most out of their experience as a student at ODU, create a sense of community among music education majors, and prepare students for the expectations of being a college student in the Diehn School of Music.

MUSE 151 Freshman Seminar II for Music Education Students (1 Credit Hour)

This course provides a professional community for emerging music educators. Discussion and fieldwork will focus on the application of instructional and learning strategies for guiding critical and creative music thinking, teaching and learning in a variety of music educational contexts.

Prerequisites: MUSE 150 or MUSC 150
