Educational Leadership with a Concentration in Higher Education (MSEd)

4101 Education Building 757-683-4305

Kim Bullington, Graduate Program Director

The Higher Education program offers professional graduate degrees for careers in advanced leadership positions in colleges, universities, non-profit organizations, or educational associations. The program has specialized curricular tracks in student affairs administration, international higher education leadership, and leadership and administration.

Students gain professional experience through internships with a wide variety of colleges, universities, agencies, and associations in the U.S. and abroad. A capstone experience engages students in real-life research projects that are commissioned by university and community leaders.

The program meets the requirements for graduate programs of the American College Personnel Association (ACPA), the National Association of Student Personnel Administrators (NASPA), and the Association for the Study of Higher Education (ASHE). The program meets standards established by the Council for the Advancement of Standards in Higher Education (CAS).

Additional Requirements

Continuance

Students must meet all department, college, and university policy requirements for continuation in their academic program. See department policy below.

Continuance Policy and Procedures for the Educational Leadership Program

The following policy has been established for continuance in *Educational Leadership Program*.

At the end of each semester – fall, spring, and summer – the graduate program directors (GPD) will review student records. As per university policy, students who do not maintain an overall GPA of at least 3.0 in their ELS program will be placed on probation. Students placed on probation have one semester to bring their overall GPA back to a minimum of 3.0. A student may be placed on probation only one time in their EFL program and will not be eligible for a second probationary period. Should a student's GPA fall below 3.0 twice, he/she will be dismissed from the program.

Students who receive a grade of F in any ELS required or elective program course or who receive a final grade of lower than B- in more than one class in their program will be dismissed from their program by the Graduate Program Director and Department Chair. A failing grade in dissertation credits for one semester places the student in warning status and does not automatically dismiss the student from the program. However, two failing grades in dissertation credits will result in dismissal from the program. Students may follow the Grade Appeal Procedure in the ODU Graduate Catalog. In the event a grade is appealed such that the student comes into compliance with the EFL Continuance Policy, he/she will be reinstated. In accord with University policy, ODU email is considered official communication.

Exit

In order to graduate from the program, students must successfully complete:

- the required course of study for a total of at least 36 credit hours of coursework; and
- 2. pass a written comprehensive examination.

Non-Degree

Non-degree students are limited to a maximum of 2 courses prior to admission unless they receive permission from the GPD. Students must receive academic advising from a program faculty member prior to

enrollment in any course as a non-degree student. Taking courses as a non-

degree student does not guarantee admission into the program.
