Clinical Leadership and Administration Certificate

The Medical Science (D.M.Sc.) program offers two Graduate Certificates in Clinical Leadership and Administration (https://www.evms.edu/education/doctoral_programs/medical_science/graduate_certificates/#den312349) and Educational Leadership and Administration (https://www.evms.edu/education/doctoral_programs/medical_science/graduate_certificates/#den312350). The nine credits earned in these one-year programs can be applied to fulfill the doctoral courses if a student chooses to continue the degree.
