

Bachelor of Science

Interdisciplinary Studies with a Major in Women's and Gender Studies (BS)

Degree Program Guide

The Degree Program Guide is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.

Lower Division General Education courses do not have to be taken in the exact order prescribed on the Degree Program Guide. Please consult with your advisor if you need to change the order.
