STAT 405	Introduction to Data Handling	
STAT 437	Applied Regression and Time Series Analysis	
Total Credit Hours		15

For completion of a minor, the student must achieve a minimum overall cumulative grade point average of 2.00 in all courses specified as a requirement for the minor or allowed toward the minor exclusive of prerequisite courses and complete a minimum of six hours in upper-level courses in the minor requirement through courses offered by Old Dominion University.

The risk management and insurance minor is not available to risk management and insurance majors. Finance majors, personal financial planning majors, and real estate majors may complete the minor, provided they complete a minimum of nine credits in RMI coursework toward the minor. No more than six credits from the minor may “share” with other areas of the student’s curriculum.
