Philosophy and Ethics (https://catalog.odu.edu/undergraduate/requirements-undergraduate-degrees/#philosophy)	3
The Nature of Science (https://catalog.odu.edu/undergraduate/requirements-undergraduate-degrees/#nature)	8
Impact of Technology (https://catalog.odu.edu/undergraduate/requirements-undergraduate-degrees/#impact)	3

Written Communication Skills: Grade of C or better required in both courses

Information Literacy and Research is satisfied by STEM 251G in the major

Human Behavior: PSYC 203S

Impact of Technology is satisfied by STEM 370T in the major

Upper-Division General Education

Satisfied in the major.

Requirements for Graduation

Students in marketing education and technology education licensure programs must have:

1. Minimum of 120 credit hours.
2. Minimum of 30 credit hours overall and 12 credit hours of upper-level courses in the major program from Old Dominion University.
3. A 2.75 grade point average overall, in the major, and in the core.
4. Earned a passing grade in student teaching.
5. Completed ENGL 110C, ENGL 211C or ENGL 231C, and the writing intensive (W) course in the major with a grade of C or better.
6. Completed the senior assessment.

Licensure requirements also include certificate of completion in First Aid/AED/CPR, Dyslexia Awareness Training, Child Abuse and Neglect Recognition and Intervention Training, and Regulations Governing the

Use of Restraint and Seclusion in Elementary and Secondary Schools, and Cultural Competence Training.

Due to changing University requirements, national accreditation standards, and Commonwealth licensure regulations, the programs in the Darden College of Education and Professional Studies are under constant revision. Any changes resulting from these factors supersede the program requirements described in this Catalog. Students should obtain current program information from their advisors.

Career and Technical Education Core

FOUN 301	Learning and Development	3
FOUN 302	Assessment of Learning	3
or SEPS 450	Assessment, Evaluation and Improvement	
STEM 370T	Technology and Society (Writing Intensive)	3
TLED 326	Socio-Cultural Perspectives in Education	3
TLED 426	Introduction to Literacy, Linguistics and Practice in the Classroom	3

Total Credit Hours **15**

* Grade of C or better required

Technology Education Major

This major is designed to prepare students to teach technology education subjects in middle schools and high schools. It is an approved program for meeting licensure requirements to teach technology education in Virginia. Requirements are as follows.

General Education

Complete lower-division requirements 35-41

Complete upper-division requirements (met in the major)

Career and Technical Education Core

Complete the career and technical education core requirements 15

Technology Education

SEPS 195	Topics (Design & Visualization)	3
SEPS 297	Observation and Participation	1
SEPS 400	Instructional Systems Development	3
SEPS 401	Foundations of Career and Technical Education	3
SEPS 402	Instructional Methods in Occupational Studies	3
SEPS 408	Advanced Classroom Issues and Practices in Career and Technical Education	3
SEPS 485	Student Teaching	12
SPED 400	Foundations of Special Education: Legal Aspects and Characteristics	3
STEM 110T	Technology and Your World	3
STEM 221	Industrial Materials	3
STEM 231	Materials and Processes Technology	3
STEM 241	Energy Systems: Basic Electricity	3
STEM 242	Technological Systems Control	3
STEM 251G	Computer Literacy: Communication and Information	3
STEM 351	Communication Technology	3
STEM 382	Industrial Design	3

Electives

Select elective courses 9

Total Credit Hours **114-120**

Elective credit may be needed to meet the minimum of 120 credits required for the degree.

Additional Requirements and Information

Admission

For the most current information on the prescribed Virginia Board of Education admission assessment, visit the Office of Clinical Experiences website, <https://www.odu.edu/oce> (<https://www.odu.edu/oce/>).

Prescribed Virginia Board of Education Assessment for Admission to an Approved Teacher Education Program

Old Dominion University students seeking admission to an approved teacher education program must satisfy the Virginia Board of Education required assessment for admission into an approved teacher education program.

Students must have an interview with the program leader. Students must be admitted into the approved marketing education or technology education teacher preparation program prior to enrolling in SEPS 408.

For the most current information on the prescribed Virginia Board of Education admission assessment, visit the Virginia Department of Education at <https://www.doe.virginia.gov/>.

Continuance

Students in marketing education and technology education licensure programs must:

1. Satisfy University requirements.
2. Maintain a cumulative GPA of 2.75, a major GPA of 2.75 and a core GPA of 2.75 with no earned grade less than C- in all courses taken in the major and in the core.
3. Successfully complete SEPS 297.
4. Take and pass the appropriate PRAXIS Subject Assessment (Technology and Engineering Education – Content Knowledge, 5053 or Marketing Education – Content Knowledge, 5561) prior to or while enrolled in the Instructional Strategies course SEPS 408. All assessments must be passed prior to the start of the Teacher Candidate Internship Orientation session.

Background Clearance Requirement

Old Dominion University requires a background clearance check of candidates interested in many of the professional education programs. Professional education programs have several field experiences that are required for continuance and graduation from the program. The background clearance must be successfully completed prior to a field experience placement. Candidates will be provided a field experience placement when the background check process is completed with resolution of any issues. The process to complete the ODU clearance background check is located at: <https://www.odu.edu/clinical-experiences/placement/background-checks> (<https://www.odu.edu/clinical-experiences/placement/background-checks/>). The ODU clearance process includes: an FBI fingerprint, a child protective service/social service review, and a Virginia State Police sex offender registry review. Candidates interested in the professional education programs are advised to complete this clearance process immediately upon entry into the program since the clearance process takes a minimum of eight weeks to complete.

Assessments Required for Teacher Education Programs and Licensure

In order to obtain a Virginia teaching license, all teacher education students must attain passing scores on the appropriate teacher licensure exams. All students will take and attain a passing score on the appropriate Praxis Subject Area Assessment (Technology and Engineering Education – Content Knowledge, 5053 with a score of 157 or Marketing Education – Content Knowledge, 5561 with a score of 147) in order to be eligible for student teaching and licensure. Score reports of all examinations must be on file in the Office of Clinical Experiences in the Education Building. To review more information on the Virginia Board of Education Prescribed Assessments, visit the Office of Clinical Experiences website, <https://www.odu.edu/oce> (<https://www.odu.edu/oce/>).

Students are encouraged to complete the following courses (or their approved equivalents in consultation with their advisor) before taking the Praxis Content Knowledge exam:

Technology & Society: STEM 370T; Technological Design & Problem Solving: STEM 110T; STEM 382; Energy, Power, & Transportation: STEM 241; STEM 242; Information & Communication Technologies: STEM 251G; STEM 351; Manufacturing & Construction Technologies: STEM 221; STEM 231; Pedagogical & Professional Studies: SEPS 297; SEPS 400; SEPS 401; SEPS 402; and SEPS 408.

Licensure/Endorsement Programs

Licensure Program in Marketing Teacher Education

The licensure program in marketing teacher education is designed to prepare a person who has a business-related baccalaureate degree to be a marketing education teacher-coordinator. Participants who successfully complete this program will qualify to apply for a Virginia teaching license to teach marketing education.

Admission

Prior to entering this program students must hold a business-oriented baccalaureate degree in which 30 hours of marketing-related courses have been completed including at least three semester hours each of courses covering the marketing process, economics, personnel, the sales process, operations and organization, and promotion. Students must also have completed a rigorous general education program as outlined by the Commonwealth in its Licensure Regulations for Teachers. They must be interviewed and accepted by the marketing education program leader. Finally, students must attain or exceed the minimum score required by Virginia on the Praxis I examination. The Praxis I exam must be passed prior to admittance into teacher education and taking SEPS 408/SEPS 508.

Exit

Students must:

1. Complete the following courses:

SEPS 297	Observation and Participation	1
SPED 313	Fundamentals of Human Growth and Development: Birth through Adolescence	3
TLED 408	Reading and Writing in Content Areas	3
SEPS 400/500	Instructional Systems Development	3
SEPS 401/501	Foundations of Career and Technical Education	3
SEPS 408/508	Advanced Classroom Issues and Practices in Career and Technical Education	3
SEPS 450/550	Assessment, Evaluation and Improvement	3
SEPS 485	Student Teaching	12
Total Credit Hours		31
2. Earn a 2.75 cumulative grade point average if licensure is at the undergraduate level and a 3.00 cumulative grade point average if licensure is at the graduate level; and
3. Document at least 4000 clock hours of marketing-related work experience completed within the past five years or complete SEPS 405.

Passing scores on the Praxis Subject Assessment, Marketing Education Content Knowledge are required before teacher internship. Passing scores must be attached to the teacher internship application.

Twelve hours of 500/600 level courses may be applied toward the Master of Science in occupational and technical studies, career and technical education teaching concentration.

Endorsement Program in Industrial Cooperative Training

The endorsement program in industrial cooperative training is designed to prepare a licensed teacher to be endorsed to teach industrial cooperative training in the public schools.

Admission

Prior to entering this program students must have or qualify for a Virginia Collegiate Professional or Postgraduate Professional License. Secondly, they must be interviewed and accepted by the program coordinator.

Exit

Students must:

1. Complete the following courses:		
SEPS 400/500	Instructional Systems Development	3
SEPS 401/501	Foundations of Career and Technical Education	3
SEPS 402/502	Instructional Methods in Occupational Studies	3
SEPS 408/508	Advanced Classroom Issues and Practices in Career and Technical Education	3
SEPS 450/550	Assessment, Evaluation and Improvement	3
Total Credit Hours		15

- Earn a 2.75 cumulative grade point average if licensure is at the undergraduate level and a 3.00 cumulative grade point average if licensure is at the graduate level; and
- Document at least 4000 clock hours of acceptable employment in a trade, technical, or industrial education subject area completed within the past five years or complete SEPS 405.

Twelve hours of 500/600 level courses may be applied toward the Master of Science in occupational and technical studies, career and technical education teaching concentration.

Degree Program Guide

The Degree Program Guide is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works.
