Admission, Continuance, and Exit Requirements for Baccalaureate Approved Teacher Education Programs

Admission to Old Dominion University does not guarantee admission to a degree and/or a teacher preparation program in the student's specific area of interest. All such programs have admission, continuance, and exit requirements based on the Regulations Governing the Review and Approval of Education Programs in Virginia and specific Old Dominion University departmental criteria. These criteria include course work, minimum grade point averages, course grades, licensure assessments, professional dispositions, and faculty recommendations. Admission to an approved teacher education program is described in this section of the Catalog.

Admission

Students applying for admission to the teacher education program must:

1. Have a completed Clearance Background Check as specified in this section of the Catalog;
2. Have a minimum 2.75 grade point average overall (or as outlined in the specific curriculum), in the major, and in the content and professional education core courses;
3. Have at least a grade of C or C- (depending on the program) in all courses specified in the major curriculum to include content and professional education core courses; and

4. Provide authorization for the release of any disciplinary action that is contained in student records upon application.

Continuance

Once individuals are admitted to the undergraduate teacher education program, they are expected to continue to maintain the same caliber of academic achievement during the remainder of their program. This will ensure that teacher candidates remain on track with projected graduation dates. In the event that a candidate experiences academic difficulty *immediately* prior to enrollment in a practicum course, the policies below will govern. Academic difficulty is defined as not meeting the minimum grade point average (GPA) program requirement or earning a grade or grades that do not meet the candidate's program requirements the first time the course was taken.

To continue in the respective teacher education program, the student must:

1. Maintain a 2.75 minimum grade point average overall (or as outlined in the specific curriculum), in the major and in the content and professional education core courses;
2. Continue to earn at least a grade of C or C- (depending on the program) in all courses specified in the major curriculum to include content and professional education core courses for continuance in the teacher education program; and
3. Have achieved passing scores in the prescribed Virginia Board of Education professional assessments for licensure described in this section of the Catalog, prior to the start of the teacher candidate internship orientation.

Score reports for all examinations must be on file in the Office of Clinical Experiences in room 1107 of the Education Building. These score reports are to be provided by the candidate and will not be returned. For the most current information on prescribed Virginia Board of Education professional assessments for each individual passing score, visit the Office of Clinical Experiences website (<https://www.odu.edu/oce/>) and review the *required assessments*.

Prior to placement in early field experiences, practica and/or internships, students are required to have a completed Clearance Background Check search, which consists of: *National Criminal Background Check for Employee or Volunteer Providing Care to Children, the Elderly and Disabled* (SP-24 Form), the Child Protective Service's *Central Registry Release of Information* (032-02-1515-11-eng, 02/14), a fingerprint check using the APPLICANT FD258 (REV 3-1-10) 1110-0046 fingerprinting card, and the National Sex Offender Registry and/or the Virginia State Police: Sex Offender Registry search.
