

Minor

Occupational Safety Minor

Jeff Moody, MSPH, Coordinator

The minor in occupational safety is designed to prepare students to meet safety standards and guidelines in such areas as business, education and industry with the goal of managing operations to minimize financial losses resulting from accidents, health claims, legal actions and property damage. It is especially attractive to students in majors such as engineering, occupational and technical studies, and business who may reasonably anticipate assignment of safety as an additional duty. Students majoring in environmental health are not eligible for this minor.

Requirements

The minor in occupational safety requires 12 credit hours as follows:

ENVH 406	Principles of Occupational Safety and Health	3
ENVH 407	Occupational Safety Standards, Laws and Regulations	3
ENVH 425	Occupational Safety and Health Program Management	3
ENVH 426	Physical Hazards and Their Control	3
Total Credit Hours		12

For completion of the minor students must have a minimum overall cumulative grade point average of 2.00 in all courses specified as a requirement for the minor exclusive of prerequisite courses and complete a minimum of six hours in upper-level courses in the minor requirement through courses offered by Old Dominion University. Students majoring in environmental health are not eligible for this minor.
